

## **ADMISSION**

The admission of students into any class except SS 3 is strictly based on the good performance of such students in the Entrance Examination

The entrance examination which is in three sets takes place three times during the third term which may extend to 3<sup>rd</sup> term holiday period.

*Please note the following as regards to admission in Deril Academy*

1. The school does not admit students into SS 3 and JSS3
2. The school does not admit pupils in Pry. 4 into her JSS 1 except exceptional cases
3. The school does not admit the disabled and mentally retarded.
4. As an international school, French language is compulsory for all the JSS classes. Infact it is one of the compulsory subjects in external examination like JSCE NECO.
5. Students seeking admission are to purchase admission form for N2000:00 only. The sum of money is to be paid into the school account.

### **ADMISSION INTO JUNIOR SECONDARY SCHOOL (JS 1)**

#### **Admission into JSS 1**

The admission of students into JSS 1 is based on the overall performance of such students in tests and interview. There will be three tests as listed below:

1. Written test on English language and Mathematics- objective and Essay. An hour paper each
2. Written Interview Test containing questions on General Papers including English Language, Mathematics and Current Affairs.
3. Oral Interview test

### **ADMISSION INTO JSS 2 AND SS 1**

The admission of students into JSS 2 and SS 1 is based on the overall performance in the subjects listed below and at least average performance in English language and Mathematics are compulsory.

English Language, Mathematics, Integrated Science and Social Studies

### **ADMISSION INTO SS II**

Students seeking admission into SS 2 class will write an Entrance examination based on their chosen subjects whether Science, Commercial or Arts.

Such students will sit for the underlisted subjects accordingly, in addition to English Language and Mathematics.
